WTP Filter Replacement Project

ADDENDUM NO. 2

The following constitutes Addendum No. 2 for this project, which is the first set of formally submitted questions along with their corresponding answers:

Question #1: PDF page 21 calls for the question deadline of 08/08/2024 @ 10:00 AM and pdf page 34 calls for the question deadline of 08/07/2024 at 10:00 PM. Please clarify.

Answer #1: *The questions deadline of 08/08/2024 @ 10 AM is the correct deadline. Please submit all questions before this date/time.*

Question #2: PDF page 318 calls for transportation for salvaged items by Contractor to a designated location within the City's water treatment plant or within the City's sewage treatment plant site. Will equipment be available at the City's site to unload the salvaged items?

Answer #2: *All items to be salvaged shall be moved/transported/unloaded using equipment provided by the Contractor.*

Question #3: Will the salvaged pipes shown in addendum 1 photos, to be painted, with surface preparation, prime coating & 2 finish coating? If so, will all the piping need to be painted?

Answer #3: *"Salvaged" piping is not required to be repainted. Piping indicated to be salvaged is to be removed and then transported by the Contractor to a designated location within the City's water treatment plant site or within the City's sewage treatment plant site, for storage, as directed by the City.*

Each bidder must acknowledge receipt of this addendum in the noted space below and on the signature page of the Bid Proposal. **Include a copy of this addendum with your Bid Proposal Package. It is the bidding Contractor's responsibility to notify its sub-contractors about changes based on all addenda.**
